

Broadtime Record Store customers are some of the most successful and influential record stores in the country. Our website, email, and kiosk store customers are spread throughout the US. Some of them are members of AIMS, CIMS, and Department of Record Stores, while still others are fully independent of coalition affiliation.

Broadtime currently manages 28 Record Store Websites and 67 Kiosks operating inside of the Record Stores around the country, representing 61 physical locations. The combined store totals and website analytics are as follows:
 * 4 Million Annual Visitors. Our kiosks are in operation full time and the store hours of operation are approximately 225,000 hours annually. * Email Lists of ~ 320,000 • Facebook followers ~ 375,000 • Twitter followers ~ 260,000
